People who sell merchandise in California are generally required to hold a seller's permit.

You **may not** sell at this event unless you have a seller's permit or are not required to hold a permit. You are required to have a permit if you are selling, even temporarily, new or handcrafted items or used items you purchased for the purpose of reselling to others. You are not required to hold a permit if you are only making "occasional" sales, selling products that are not taxable when sold at retail, or selling on behalf of a section 6015 retailer.

You may electronically register for seller's permit at no cost to you by visiting our website at [www.boe.ca.gov](http://www.boe.ca.gov). To find a Board of Equalization (BOE) office near you, call our Customer Service Center at 1-800-400-7115 (TTY:711) or visit our website. If you obtain a temporary seller's permit, the business address on your temporary permit should be the address of the temporary selling location and the mailing address should be your permanent place of business or residence.

**Occasional and Nontaxable Sales**—Occasional sellers are usually people who are not required to hold a seller's permit because they will not be making a series of qualifying sales. A person who has cleared their garage of used items *accumulated for their own use* and who sells *only* those items would usually qualify as an occasional seller, provided they make sales no more than twice in a 12-month period. Some sellers who make only nontaxable sales are also not required to hold seller's permits. Examples include sellers of fresh produce or other cold food products sold "to go." Please note, however, some food sales are taxable, including sales of food for consumption in places where admission is charged.

**Section 6015 Retailers**—Revenue and Taxation Code section 6015 relieves certain individuals of the requirement to obtain a seller's permit when: (1) the product supplier is a BOE approved section 6015 retailer, (2) the product supplier reports and pays tax on the actual "retail selling price," (3) the individual is selling only those items purchased from the section 6015 retailer, and (4) the individual provides the name of the product supplier. Typical section 6015 retailers include multi-level marketing retailers that solicit sales through a network of individual salespeople/representatives (for example, Avon, Tupperware).

**Verification of a seller's status is required by law. Please complete all four sections of this form. Please print.**
